**LIQUOR SELLERS ORGANIZED AGAINST THE PROHIBITORY LAW.**—We have information that an extended organization of all classes of liquor sellers and importers, in this city, has been effected, and a heavy assessment levied in order to defend members of the body from the consequences of legal prosecutions under the prohibitory law which comes into operation on the 20th day of the present month.—*Boston Jour.*

**THE LIQUOR DEALERS AWAKE.**—The Society of Liquor Dealers has determined to organize, now throughout the city, and Committees are being formed in every Ward and electoral district. They seem determined that their power shall be felt at the next election.—*N. Y. Express, May 8th.*

**COULDN'T STAND THE COLD.**—Stephen Hall, a queer genius, had made frequent gracious promises to his troubled friend that he would put himself out of the way. One stinging cold night, last winter, he vowed he would go out and freeze to death. About eleven o'clock he returned, shivering and snapping his fingers.

"Why don't you freeze?" asked a relative.  
"Golly," said the pseudo-suicide, "when I freeze I mean to take a warmer night than this for it!"

**INFORMATION WANTED.**—The wife of William Campbell is anxious to hear from him, who left Sandusky, on the 8th of August, 1853. He is a Scotchman, about 37 years of age, 5 feet 9 or 10 inches high; broad shoulders, small waist, top of his head bald, full forehead, had a blue star on one of his arms. He started for Cincinnati by railroad. Any information as to his fate or present whereabouts, will be gladly received by his wife. Communications may be addressed to Jane Campbell, No. 3 Washington street, Sandusky, Ohio.—Editors of papers will confer favor on an afflicted woman by noticing the above.

It is mind that gives beauty to the rose, and throws sublimity around the mountain or the comet. It is mind that envelops the cascade with beauty, and heavens with grandeur. In proportion to the mind's breadth and depth, the store of information it possesses, and accumulated ideas of its experience, so are the intensity and loftiness of its enjoyment.

**CLOSING BARBER SHOPS ON THE SABBATH.**—In Boston recently, the Mayor ordered the barber shops to be closed on Sundays, on the ground that it was a violation of the Sunday law to keep them open. An arrest subsequently followed, and on Monday the case came before Judge Rogers, who decided that the legal and usual definition of the word shop was a place for the sale of goods. In the present case there was no evidence that the defendant kept a shop for the sale of goods, or that there were any goods sold there on the day alleged in the complaint, and therefore the defendant must be discharged.

A celebrated comedian arranged with his greengrocer, one Berry, to pay him quarterly; but the greengrocer sent in his account long before the quarter was due. The comedian, in great wrath, called upon the greengrocer, and laboring under the impression that his credit was doubted, said: "I say, here's a pretty mul, Berry; you've sent in your bill, Berry; before it was due, Berry; your father the elder Berry, would not have been such a goose, Berry. But you need not look so black, Berry—for I don't care a straw, Berry—and shan't pay you till Christmas, Berry."

Last night a good one was heard on the C. & C. Railroad. Some young bucks who were going on a "tare" to the Queen City, were getting rather noisy and profane, when a gentleman in a white cravat, tapped one of them on the shoulder with the remark, "young man do you know you are on the road to hell."

"That's just my luck, I took a ticket for Cincinnati, and I've got on the wrong train."—*Statesman.*

A queer genius being asked why he did not go to the funeral of his wife, replied that he could not leave his shop and that it was always best to attend to business before pleasure.

**100,000 Gift Enterprise!**  
The distribution of the Gifts being definitely fixed for  
**JULY 5, 1855.**

Any person sending \$10 may deduct 10 per cent, or will receive 11 Tickets.  
Each person sending \$1.00 before the 5th of July, will, in addition to commissions, be Presented with a Mammoth Gold Pen and Case, valued at \$10.

Each person sending \$200 before the 5th of July, will, in addition to commissions, be Presented with a Silver Watch, val'd at \$25.

Each person sending \$300 before the 5th of July, will, in addition to commissions, be Presented with a Gold Watch, valued at \$50.

Each person sending \$500 before the 5th of July, will, in addition to commissions, be Presented with a Gold Watch, val'd at \$100.

The person who shall send, before the 5th of July, the largest amount above \$500, will, in addition to commissions, be Presented with a Piano, valued at \$200.

Have been induced to make the above liberal offers in order to remove a settled objection in the minds of your committee, to having the distribution take place while there remain in my hands tickets unsold, and for which cause they have seen fit to defer the partition of the gifts, which was fixed for the 27th inst., to the 5th of July, as will be seen by reference to their proceedings, published below. I assure you that the postponement is as vexatious to me as it is to those who have purchased tickets. I therefore hope that each and every one now interested, will co-operate with me in the effort to dispose of the few thousand tickets remaining unsold, and thus advance the interests of the whole body of shareholders.

Respectfully yours,  
J. PERHAM.

**TO THE PATRONS OF**  
**Perham's Third Gift Enterprise.**

At a meeting of the Committee of Shareholders of Perham's Gift Enterprise, held at the Academy Hall, Broadway, on Wednesday Evening, April 18th, 1855, the following preamble and resolutions were adopted and ordered to be published:

Whereas, in view of the fact that several enterprises have been started and carried on with a seeming positive purpose of defrauding those who could be persuaded to purchase tickets therein; and such fraudulent proceedings have exerted an injurious influence in the sale of tickets in the enterprise of Mr. Perham; and whereas, it is deemed essential that all the tickets should be disposed of before the distribution takes place, be it therefore Resolved, That in order to allow time for that purpose, the distribution be postponed until the 5th of July, at such place as may hereafter be determined on.  
Resolved, That the committee have undiminished confidence in the integrity of Mr. Perham, and in his disposition to conform to all his published promises to his patrons.

Disease of the Spine, Pains of the Chest,  
Headache & Blindness, Hysterics, Dyspepsia.  
All Diseases that are caused by a deficient amount of Nervous Fluid, are greatly relieved, if not permanently cured simply wearing the chains for a few hours each day.

Be it UNDERSTOOD that it is not claimed that it cures all diseases, but only those for which it is recommended, and moreover, we boldly claim and defy, that no medical agent of any kind has performed so many cures during the last year, of those diseases just named as

**PULVERMACH'S ELECTRIC CHAINS.**  
And to prove this assertion, we defy any person to produce so many well authenticated certificates of Scientific Physicians and intelligent patients as may be found in a pamphlet of 36 pages, to be had gratis of the agent in this Town.

The Electric Chains were first introduced in France in 1850, and after being subjected to the most thorough and rigid tests, by the first medical men in Paris, they were found to possess strong and marvellous powers in relieving pain, wherever applied, and by their influence were introduced into the hospitals of that city, and also, secured by letters patent by the French Government.

They are now introduced to almost every Hospital in England, Germany, Austria, Belgium, and patented in those countries, where they have become the  
**MOST POPULAR CURATIVE AGENT IN THE WORLD!**

They were first introduced in the United States about one year since, and went through with the same trials as in Europe, and were at once introduced into every Hospital in New York, where they are now in daily use, effecting even more wonderful cures than had ever before been awarded them. They are highly recommended Prof. Valentine Mott Van Buren, Post, and others, who have published their views of their power and value in several of the medical journals in that city, and are also in the daily practice of recommending their use to patients. A full account of their opinion may also be found in every pamphlet, and sent to the address of any person in the State, applying (post paid) to the agents. The Chains can be sent by mail, with full description for use.

Price of Chains, \$3 and \$5.  
Physicians are solicited to call and examine their construction, and pronounce upon their merit.

One would soon be INVALID.  
No person need fear that they will not accomplish just what it is claimed they can do, and all persons who have become disgusted with a constant pouring down of patent nostrums (bottled swill) are kindly and politely invited to give them a trial.

CAND TO LADIES. Ladies who are enquire, are requested not to wear them for a great length of time, for by so doing, miscarriage is frequently produced.

N. B.—One Chain will last for years and lose none of its electric power by use, can be applied to either adult or child. For sale in all the principal cities in the U. S.
